

49er Ski Club Anniversary Party June 13, 2018

Ninety-four Forty-niners and their guests enjoyed a lovely evening in the sun-dappled shade of Jean and Pat's Not-so-Itchy Acres. Free drinks, food aplenty, socializing with 49ers, and credit for a 49er meeting made for another great Anniversary Party.

During our mercifully brief official meeting, we applauded our many volunteers and activity leaders, honored Board members and Past Presidents, and passed the big gavel to new President Robert M.

Our task as party coordinators was greatly aided by a terrific team of veteran volunteers plus some new faces. Nancy C. and Annmarie B. purchased the soft goods and set the tables. Ann F. provided lovely table decorations. Leslie S. and Paul H. facilitated the parking. Although he was not able to attend, John R. loaned us his two large shade structures and two large ice chests, which were a big help. Bill H. helped with setup, purchased the ice, and also loaned ice chests to the party.

Bartenders Terry T., Andrea W., Susan K., and Carl A. did a fabulous job of keeping the party hydrated and lubricated.

Leslie S., Paul H., Jan W., and Allie H., donated better wine than our meager club dues can afford, and we purchased the club-provided

soda and beer. Frances A. brought her coffee maker and made coffee.

Jim S. and Chizuko K., Ray A., and Andrea W. took photos. A bunch of happy 49ers pitched in to help with clean up.

A big **THANK YOU!!!** to all who helped put on a great party and to Jean and Pat H. for hosting.
