

49er Ski Club Anniversary Party, June 15, 2016

Although not a record crowd, 98 Forty-niners and their guests enjoyed a wonderfully cool evening at the party place called Jean and Pat's Itchy Acres Estate. Free drinks, food aplenty, **socializing with other 49ers and past presidents**, and credit for a 49er meeting made for another great Anniversary Party.

After Nancy C. thanked all of the volunteers for helping with the party, continuing president Nancy Libonati led a brief meeting.

Susan and Jim S. were absent from the party due to vacation plans. But their organization and the help of the terrific team of volunteers made this a successful party.

This year the table and chair rental agency set up and took down the chairs and tables. We still thank those who have done the set up and take down for years for their many years of service.

Nancy C. and Annmarie B. purchased the soft goods and set the tables. Rosemarie C. and Joyce M. provided lovely table decorations. Ray A., Leslie S. and Paul H. facilitated the parking. John R., while ready with his shade structures did not need to assemble them because of the cool temperatures. John and the Hardys loaned ice chests to the party. Barpersons Ken S., John W., Roberta B., and Ted C. did a fabulous job of keeping the party hydrated and lubricated. Pat O. generously donated all of the wine (of which we drank it all), Ken S. purchased the ice and

transported all of the wine, and the Strattons purchased the club-provided soda and beer.

The bar area was a very popular gathering spot. Also a big hit were the **party favors** Ray A. brought from San Francisco Bay Coffee. The packages of 3 samples were wrapped up with a bow on top. Ray was a busy person handling the sound system too.

Frances A. brought her coffee maker and made coffee. A bunch of happy 49ers pitched in to help with clean up. A big THANK YOU to all who helped put on a great party and to Jean and Pat for hosting.

We will remember this anniversary party as the one where we had on coats and jackets in June.

Nancy C.
