

49er Ski Club Anniversary Party, June 14, 2017

A crowd of about 100 Forty-niners and their guests enjoyed a lovely evening in the shade of Jean and Pat H's home. With good wine, good beer and sodas, plenty good food and good friends, my goodness, who could ask for more. Plus credit for a 49er meeting made for another great Anniversary Party.

During our brief official meeting, made more brief as our outgoing president, Nancy L, had lost her voice, we thanked our volunteers and activity leaders, honored Board members and Past Presidents, and passed the gavel to new President, Donelle K. Since a lot of the meeting was about upcoming out-of-state ski trips it was easily tolerated by all!

Once again our party was greatly aided by a terrific team of veteran volunteers plus some new faces. Claire C made the table decorations. Nancy C and Annmarie B purchased the soft goods and set the tables with help from Bill H who also brought the ice. Ray A, Leslie S and Paul H facilitated the parking. John R put up his two large shade structures, and more importantly, two very large ice chests to keep the cold drinks cold!. Bartenders Terry T, Mike F, Ann L, and Dave J did a fine job of keeping the lines at the watering hole to a minimum. Margge W generously donated all of the wine and some very nice choices they were. Frances A, again, brought her coffee maker and all the extras. A bunch of happy 49ers pitched in to help with clean up. A big THANK YOU to all who helped put on a great party and to Jean and Pat for hosting.
