

Loon Lake 2017

July 24 -31

To everyone's relief, we experienced no repeat of last year's plague of meat bees which meant that every day was pleasure there!

We observed the stars & moons of Jupiter & Mars after dark through Carl's binoculars. He also had eclipse posters & glasses where the proceeds went to his school. It was a nice way to get them.

Fred's fishing boat left early on three days & managed to return with the same number of passengers – Pat, John & Claire. What does that tell you?

We had several fun paddles in the morning for exercise, in the afternoon for dipping in a shallow area & in the evening moonlight. Enjoying their craft were John, Marni, Carl, Nancy, Andrea, Wendy, Cari, Jane, Monte, Frances, Lew, Claire, Bob.

One day, some went over to the island & had lunch on the highest peak. Then, there were 3 who spent 5 hours on the water as it got extra windy on the way back.

There was a long hike to Spider Lake with Carl & Claire who made it all the way & several who took shorter routes.

Terry & Carl barbequed the Brats on Tuesday. There were tasty side dishes & a sweet course with little left over. Frances & Joe led Bingo. Why does it seem like the same winners keep winning? Gr-r-r-rr. A bonfire ensued with s'mores for some.

Lots of games during the quiet of the day with SkipBo ala Claire, Golf ala Patt, Mehicano Choo Choo ala Monte, Bridge ala Marggi & JoAnn & other addicts. Marley, Mel, Pam & Bill were some of the competitors.

Joe did his magic with the ribs on Thursday. Another great potluck with wonderful side dishes & desserts.

Valerie & Andrea organized the Brunch with Lew on hash browns, ham & French toast. Others pitched in with scrambled eggs, cut fruit, OJ.

It was altogether a fair weather, fun week!
