

LOON LAKE

2018

If you stayed in Sacramento, this is what you missed:

- 6 days of TOTALLY BLUE, BLUE skies, BLUE, BLUE lake and a million sparkly stars

- kayaking on glassy water
- fresh fish

- hiking

- frolicking chipmunks
- baby ducks with their mama
- games galore: bridge, Mexican train (Monte won the championship trophy AGAIN!!!), rummy cube and spat

- Delicious group meals including Terry-grilled brats, Joe's famous ribs, and a brunch highlighted by mushroom-cheese frittata, gourmet hash-browns, French toast and baked ham

- 6 days of laughter and camaraderie with 25 other fun-loving 49ers

What we learned:

- Melted (accidentally) Tillamook vanilla ice cream makes the best milk-shake EVER!
- Grade B maple syrup is far more delicious than Grade A (John R. will explain)
- Nancy L. prefers white bread French toast to the brown variety !!!!
- Lew's 10 x 12 tent pops up in 3 minutes!! (only \$140 at Costco)
- Fish don't winter over at Loon (ask Fred T. why)

DON'T MISS OUT NEXT YEAR!
